ABOUT THE DEPARTMENT OF MANAGEMENT

Established in 2009 and accredited by the National Board of Accreditation (NBA), the Department of Management is a distinguished academic unit committed to developing future business leaders through innovative and quality education. With a focus on fostering analytical, managerial, and entrepreneurial skills, the department aims to cultivate ethical values for the holistic development of learners, contributing to positive societal change. The department offers MBA and BBA programs specializing in Marketing, Finance, and Human Resources, The department integrates theoretical knowledge with practical application through case studies, seminars, workshops, industry visits, and collaborations. State-of-the-art infrastructure supports student learning, including modern classrooms, a well-equipped library, and computer labs. The department's mission is to create an environment that promotes the creation and dissemination of management knowledge, develops innovative and dynamic business leaders contributing to nation-building, and strengthens industry-academia collaboration to provide students with industrial exposure and experiential learning.

ABOUT THE INSTITUTE OF TECHNOLOGY & MANAGEMENT (ITM)

The Institute of Technology & Management (ITM), Gwalior, established in 1997 by the Samata Lok Sansthan Trust, is a distinguished educational institution committed to delivering quality education in engineering, technology, and management. Approved by AICTE and affiliated with Rajiv Gandhi Proudyogiki Vishwavidyalaya (RGPV), Bhopal, for engineering programs, and Jiwaji University, Gwalior, for its MBA program, ITM aims to emerge as a world-class center for research, innovation, and professional excellence. The institute offers MBA programs with dual specializations in Finance, Human Resources, International Business, and Marketing, providing students with comprehensive knowledge and skills to succeed in the global business landscape. ITM integrates engineering with technology and leverages management as a foundation to transform knowledge into global prosperity. The institute adopts rigorous teaching methodologies, emphasizing group learning, industry projects, guest lectures, panel discussions, and live case studies, ensuring students develop both technical expertise and managerial acumen. Recognized as a Center of Research in Engineering and Technology, ITM continues to shape technologists, professionals, and entrepreneurs who drive societal progress and technological advancements.

on

Enhancing Inclusive Workspaces: Integrating Gender Sensitivity and Cyber Hygiene in Academia

JUNE 17-23, 2025

Organized By
Department of Management
Institute of Technology & Management, Gwalior
(Approved by AICTE, New Delhi, Affiliated to Jiwaji University, Gwalior)

Hybrid Mode

ABOUT THE FDP

The National Faculty Development Program (FDP) aims to equip academic professionals with the knowledge and skills necessary to foster inclusive and secure academic environments. Integrating gender sensitivity and cyber hygiene, the program addresses two critical aspects of modern academic workplaces: *promoting gender equity and ensuring digital safety.*

OBJECTIVES

1. To promote awareness and understanding of gender sensitivity.
2. To educate faculty on the principles and practices of cyber hygiene
3. To integrate inclusive practices into teaching, research, and administrative activities
4. To empower participants with the knowledge, tools, and strategies to identify and mitigate gender biases and cybersecurity vulnerabilities, fostering an inclusive and resilient digital environment.
5. To encourage collaborative dialogue and policy development.

WHO SHOULD ATTEND

Academicians who would like to upgrade their skills & teaching pedagogy.
Professionals and strategists who design or frame strategies for imparting education.

COURSE CONTENT

Module-1: Foundations of Inclusive Workspaces,
Module-2: Understanding Gender Sensitivity,
Module-3: Creating a Gender-Sensitive Academic Culture,
