

Program-Specific Outcomes (PSOs)

**PSOs are statements that describe what the graduates of a
Specific engineering program should be able to do at the time of
Graduation.**

Department of Civil Engineering

Program Specific Outcomes

PSOs are statements that describe what the graduates of a specific engineering program should be able to do at the time of graduation. There are three PSOs which are as follows:

- The graduate will be able to practice codal provisions like IRC, IS, NBC, CPHEEO manuals for planning & designing of civil infrastructures.
- The graduate will be able to draw and design the various civil Engineering structures by using software such as AUTO-CAD, STAAD-Pro, Google SketchUp etc.
- The graduates will be able to perform effectively as an individual or in a team having acquired leadership skills and manage projects in multidisciplinary environments.
