ADMISSION LETTER winter semester 2024/25

Dear Aashish Wadhwani,

After reviewing your application for admission, we are pleased to inform you that you have been admitted to study at the Otto-von-Guericke-Universität Magdeburg in the **Master Digital Engineering**.

The language of instruction for the programme is English; therefore, a proof of German is not necessary. Your proof of English proficiency has been checked and approved. Information regarding standard study period can be found in the [study guide](#).

Enrolment: You will receive an email within the **next three weeks** with all the necessary information about the exact procedure. You must apply for enrolment by 30 September 2024 at the latest.

Courses start on 14 October 2024. Please check [here](#) for the start of your semester before you start your studies.

Personal participation in the courses is required. **Entry by 31 October 2024** at the latest is **recommended** by the university. You will find further important information on the enclosed information sheet.

Sincerely yours,

Admission office

This notice was generated electronically. It is valid without a signature and stamp.

This admission is valid only for the winter semester 2024/25.

Further important information for enrolment at Otto-von-Guericke-Universität Magdeburg

A good start to your studies at the beginning of the semester will enable you to study successfully. Based on our experience with online enrolment and problems with visa applications in recent semesters, we would like to show you the following two options:

1. Enrolment by 30 September 2024 and entry by 31 October 2024

You will receive an e-mail from us within the next three weeks regarding the exact procedure. After receiving the e-mail, please follow the enrolment instructions in order to be enrolled.

Regularly check the inbox of the e-mail address you used for your application. If you change your e-mail address, please inform us at enrolment@ovgu.de.

Please note for your decision:

- The application for enrolment must be received by **30 September 2024** by email to enrolment@ovgu.de.
- With enrolment in Germany, German health insurance is mandatory for all students. Information on health insurance in Germany can be found [here](#). Please note that you will incur costs for health insurance contributions from the start of your insurance, even if you are still outside Germany.
- Entry at the start of the semester, but no later than 31 October 2024, is strongly recommended, as online studies are not possible. Please clarify with the Student Advisory Service of your study programme whether individual solutions are possible.
- A leave of absence due to late entry is not possible and the semester of enrolment counts as a full semester within the study period. You should therefore make an appointment in time to apply for a visa at the German Embassy in your country of origin.

or

2. Postpone admission because of the time-consuming process of obtaining a visa

If it is not possible to enter the country in time, you can postpone your admission and thus your enrolment to a later semester*. The following applies:

- A postponement can be requested informally for a maximum of one year by e-mail to enrolment@ovgu.de. Please give us your name, your applicant number and let us know when you will be arriving. Please note the start date of your chosen degree programme!

Postpone in	notification until
Summer Semester 2025	31 October 2024
Winter Semester 2025/26	31 October 2024

Postponement is only possible if you have not yet been enrolled. Please note that you will not receive the new admission letter for the summer semester 2025 before December 2024 and for the winter semester 2025/26 before May 2025. Further steps will be communicated to you in advance from November 2024 at the earliest. If you do not meet the deadlines for postponement, you will have to reapply via uni-assist.

If you have any further questions, please contact enrolment@ovgu.de.

*This is not possible for restricted study programmes. Applicants have to take part in the ranking again.
