### **Application for Industrial visit**

To,

**The HR  
Micro Turners-IV  
Solan (H.P.)**

Dear Sir,

**Subject: Regarding the Permission for Industrial Visit 2024**

ITM Gwalior is one of the most reputed Technology and Management Institutions in Gwalior established in 1997 known for its excellent record in academics and Co-curricular activities. The college offers Master and Bachelor degree courses in Engineering and Management. The state -of- the- art facilities, infrastructure and competent faculty provides an excellent environment for all round development of the students. The college has received several awards for its academic excellence, infrastructure, and exceptional placement record.

As part of Bachelor of Technology (B.Tech.) curriculum, the students are required to undertake industrial visit to industries of repute. As it is a fruitful the students with academic background have a glimpse of the industry in order to have a better appreciation of practical applications of theories being learnt in the classroom.

In the above background, we would like to send a batch of about **12 students** of B.Tech. 6<sup>th</sup> semester accompanied with by **two faculty** members on **12.4. 2024**. I requested you to kindly the necessary permission for the above visit and guiding the students. Our students will observe the rules and regulation that are prescribed by your company.

We shall be grateful for a favorable response.

Sincerely,

  
(D D Shrivastava)

(Dr Aditya Vidyarthi)

HOD,IT Deptt.

### Industry Visit Report:

### Micro Technologies Private Limited

#### Introduction

During 2024, I have spent approximately 1 days at Micro Turners Private Limited.

The Micro Turners Private Limited is, among other things, responsible for the development and the maintenance of the automobile tools and provide training to the students. Micro Turners Private Limited as a company shouldn't need any further introduction.

This is carried out together with students from our Institute, and we also have two of my teachers (Mr. D. D. Shrivastava and Ms. Apoorva Deshpande) from our Institute at the company.

#### About the event

Micro Turners Private Limited.is an certified company which deals in automobile tool Designing,

  
(D.D. Shrivastava)

Dr Aditya Vidyarthi 

HOD,IT Deptt.

- Quality Award Silver at BAVA Convention Award 2022-23

## Features of Micro Turners Private Limited.

1. Micro Turners Pvt. Ltd. is a well-known Indian company in the automotive industry. Established in 1969, it specializes in the manufacturing of precision-engineered components and assemblies for various automotive applications. Here are some key features of Micro Turners Pvt. Ltd.:

- 1. Specialization in Automotive Components:** Micro Turners is primarily known for its expertise in manufacturing a wide range of precision-engineered components for two-wheelers, four-wheelers, and commercial vehicles. These include parts like gears, shafts, assemblies, and other critical automotive components.
- 2. State-of-the-Art Manufacturing Facilities:** The company has multiple manufacturing plants equipped with advanced machinery and technology to ensure high-quality production. These facilities are spread across various locations in India, allowing the company to meet the demands of a diverse clientele.
- 3. Quality Assurance:** Micro Turners places a strong emphasis on quality control. The company is ISO/TS 16949 certified, which is an international standard for quality management in the automotive industry. They have robust quality control processes to ensure that all products meet stringent industry standards.
- 4. Research and Development:** The company invests significantly in research and development to innovate and improve its product offerings. This commitment to R&D helps them stay competitive in the rapidly evolving automotive industry.

Dr. Aditya Vidyarthi  
HOD, IT Deptt.

5. **Strong Client Base:** Micro Turners serves a broad range of clients, including some of the leading automotive manufacturers in India and abroad. Their customer base includes prominent names in the industry, which speaks to their reliability and quality.
6. **Sustainability Initiatives:** The company is also committed to sustainability and environmentally friendly practices. They focus on
7. reducing waste, optimizing resource use, and minimizing their environmental footprint.
8. **Global Presence:** While headquartered in India, Micro Turners has a global presence, supplying products to clients worldwide. They have established a strong export network, making them a significant player in the international automotive components market.
9. **Employee Welfare and Training:** Micro Turners invests in the welfare and continuous training of its employees. They provide a safe and healthy work environment and encourage skill development to ensure their workforce is highly competent.

These features make Micro Turners Pvt. Ltd. a prominent name in the automotive component manufacturing industry.
