- ❖ **Brief description of activity:** -

The Internal Hackathon for the Smart India Hackathon (SIH) 2020 was held from February 4th to 6th, 2020, at the New Reynold Block of the Institute of Technology and Management, Gwalior. The event was organized by the IIC team in alignment with the directives from the MoE Innovation Cell-AICTE.

Students participated with great enthusiasm, presenting their innovative solutions to a panel of jury members. Over two consecutive days, teams worked diligently on their projects, undergoing six rounds of evaluation by different jury panels. After each evaluation, the teams received valuable feedback and suggestions from the judges, leading to significant improvements in their projects. The professionalism demonstrated by all teams was commendable, as they strived to meet the high standards set by the Smart India Hackathon.

Out of the 13 registered teams, 12 were nominated for further consideration. The evaluation process adhered to the SIH 2020 guidelines, with each team presenting their solutions and demonstrating their functionalities in detail. The rigorous evaluations and constructive feedback provided by the jury were instrumental in helping the teams identify and address their shortcomings, resulting in enhanced solutions.

The jury members congratulated all participating teams and extended their best wishes as they prepare for the national-level Smart India Hackathon 2020 event.
