Industry experts will also hold sessions on career development and industry trends.

4. Concern: Quality of Hostel Facilities

- **Feedback:** Some parents mentioned the need for improvements in hostel cleanliness and food quality.
- **Action Taken:** The hostel management has taken immediate steps to ensure regular cleanliness inspections and improvements in food hygiene. A feedback system for hostel residents has been introduced to ensure continuous monitoring and improvement.

5. Concern: Need for Extra-Curricular Activities

- **Feedback:** Parents emphasized the need for increased focus on extracurricular activities for overall personality development.
- **Action Taken:** The ITM has introduced more clubs, such as music, drama, sports, and robotics. Regular inter-departmental competitions and cultural events have been scheduled to encourage the students participation.

Conclusion: We appreciate the valuable feedback provided by parents and are committed to continuously improving our institution based on their suggestions. All actions mentioned above have been implemented, and we will continue to monitor the impact to ensure the best learning environment for our students.
