

Alumni Feedback Report Academic Session 2021-22

Introduction: The Alumni Feedback Report for the academic session 2021-22 at ITM Gwalior provides a detailed analysis of the feedback collected from graduates who have transitioned into various professional domains. Their insights are essential for evaluating the effectiveness of the institution's academic offerings, infrastructure, and career support services.

1. Curriculum and Learning Experience: Alumni largely appreciated the academic curriculum, noting that it provided a robust foundation in their respective fields. They found the coursework to be well-structured, and the inclusion of practical sessions helped them apply theoretical knowledge to real-world scenarios. However, some alumni suggested incorporating more practical, industry-relevant content.

2. Faculty and Mentorship: The alumni held the teaching faculty in high regard, praising their expertise, approachability, and the mentorship provided throughout their studies. Alumni particularly valued the individual attention given to students, especially during project work and internships, which they felt contributed greatly to their professional development. They expressed gratitude for the faculty's continuous support, even beyond graduation. Some have suggested for more industry exposure.

3. Skill Development and Employability: Alumni felt that ITM Gwalior prepared them well for the job market by fostering essential skills like critical thinking, communication, and problem-solving. The emphasis on soft skills was particularly appreciated, as these were considered vital in their professional roles. However, some alumni recommended expanding the range of industry certifications and skill development workshops to further enhance employability to bridge skill gaps.

4. Internships and Practical Exposure: Internships and hands-on training were among the most appreciated aspects of their academic experience. Alumni felt that the internships provided them with significant practical exposure and helped them secure good placements. They suggested that ITM Gwalior could further strengthen ties with more diverse industries to provide students more industry-oriented projects and opportunities for visits.

5. Placement Services and Career Support: Alumni were generally satisfied with the career guidance and placement services offered by the institution. They felt that ITM Gwalior's emphasis on placement

preparation, including mock interviews, resume building, and interview coaching, was effective in helping those secure jobs. Some alumni suggested to more focusing on soft skills and placement preparation.

6. Infrastructure and Learning Resources: Alumni expressed satisfaction with the campus infrastructure, including labs, libraries, and other academic resources. They highlighted that the institution's facilities supported their learning and provided an environment conducive to both academic and extracurricular activities. A few alumni recommended upgrading certain areas, particularly Computer and lab facilities need upgrading.

7. Alumni Network and Engagement: Alumni expressed a strong interest in building a more connected and active alumni network. Many felt that a more organized alumni association could offer mentoring, networking, and professional development opportunities for both current students and fellow graduates. This could also enhance career opportunities and collaborations within the ITM Gwalior community.

Conclusion: The Alumni Feedback Report for the academic session 2021-22 indicates that ITM Gwalior continues to deliver a strong academic experience that equips students with the necessary skills for the professional world. Alumni have expressed a high level of satisfaction with the curriculum, faculty support, and career services. Their recommendations provide valuable insights for continuous improvement in aligning the institution's offerings with the needs of both the students and the industry.

This report reflects the feedback of ITM Gwalior alumni from the 2021-22 session, offering insights that will help enhance the academic and professional outcomes of current and future students.
