

Alumni Feedback Report Academic Session 2023-24

Introduction: The Alumni Feedback Report for the academic session 2023-24 at ITM Gwalior captures insights from graduates who have transitioned into various professional roles. Their feedback is invaluable for evaluating the effectiveness of academic programs, identifying areas for improvement, and enhancing the overall learning experience for current and future students:

1. Curriculum and Academic Relevance: Alumni generally expressed satisfaction with the curriculum offered during their time at ITM Gwalior. They appreciated the balance between theoretical knowledge and practical skills. Many alumni mentioned that the curriculum was relevant to industry standards and provided a solid foundation for their careers. Some alumni emphasized the need for more interdisciplinary approaches and sustainability focus.

2. Faculty and Teaching Methods: The majority of alumni praised the faculty for their knowledge, teaching methods, and approachability. They felt that the faculty's encouragement and mentorship had a significant positive impact on their learning experience. Alumni appreciated the interactive nature of the classes and the use of case studies, which helped in applying theoretical knowledge to real-world problems. Some alumni suggested for more diverse teaching methods.

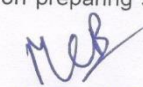

3. Skill Development and Employability: Alumni highlighted that the institution provided ample opportunities for the development of soft skills such as communication, teamwork, and leadership, which have proven valuable in their professional careers. Technical skills gained through labs and projects were also considered helpful. Some alumni suggested introducing more specialized workshops and certifications to make graduates even more competitive in the job market.

4. Internships and Industry Exposure: Many alumni reflected positively on the institution's efforts to provide internships and industrial exposure. These experiences were instrumental in helping them secure job placements. However, a few suggested that ITM Gwalior could build stronger relationships with a broader range of industries to offer diverse internship opportunities. Some Alumni suggested for more industry involvement in curriculum design and delivery.

5. Career Guidance and Placements: Alumni were appreciative of the career guidance and placement support they received from ITM Gwalior. The institution's focus on preparing students

for interviews, providing career counseling, and arranging campus placements was seen as a significant contributor to their success in securing employment. Some alumni requests for more diverse career preparation and startup support

6. Alumni Network and Engagement: Alumni expressed a desire for greater engagement with the institution post-graduation. They suggested enhancing the alumni network to create more opportunities for mentoring current students, offering career advice, and organizing networking events. This would allow alumni to contribute more actively to the growth of ITM Gwalior and its students.

7. Infrastructure and Facilities: Alumni were satisfied with the infrastructure and facilities available during their academic tenure. They particularly appreciated the well-equipped labs and the library's resources. Some alumni suggested for enhanced digital learning platforms and smart classrooms.

Conclusion: The Alumni Feedback Report for the academic session 2023-24 highlights a strong sense of satisfaction among ITM Gwalior graduates with their educational experience. Alumni appreciate the institution's commitment to academic excellence, skill development, and career support. Their constructive feedback provides insights that will help ITM Gwalior continue to adapt and evolve its programs to meet the needs of both students and the rapidly changing professional landscape.
