

## Parents Feedback Report Session 2023-24

### 1. Curriculum and Skill Development

#### Feedback:

Parents expressed satisfaction with the curriculum but suggested the inclusion of more workshops and practical sessions to better equip students for the job market. Some Parents expressed concerns about the depth and relevance of certain subjects in the curriculum

### 2. Student Well-being and Support Services

#### Feedback:

Parents appreciated the student support services but emphasized the importance of mental health counseling and stress management programs. They highlighted the need for more wellness initiatives to ensure the holistic development of students. Some parents noted a need for increased faculty engagement and communication with students.

### 3. Infrastructure and Facilities

#### Feedback:

Parents were content with the academic infrastructure but some recommended improvements in hostel facilities and recreational spaces. Some also suggested for upgrading sports classes to encourage a balanced lifestyle for students. Some concerns were raised regarding the maintenance and availability of certain facilities

### 4. Safety and Security

#### Feedback:

Parents acknowledged the safety measures in place but some requested the implementation of additional security features, such as more surveillance cameras and regular safety drills, to further ensure the well-being of students on campus.

### 5. Parental Engagement and Communication

#### Feedback:

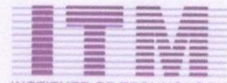

Parents appreciated the communication between the institution and families, but some suggested more frequent updates regarding academic progress and student activities. Parents requested improved career counseling and placement support for students.
