### **3.5.1. Summary of the functional MoU/linkages/collaboration indicating start date, end date, nature of collaboration etc.**

This document provides a detailed summary of Memorandums of Understanding (MoUs), linkages, and collaborations formed between various academic institutions, industries, and organizations from 2019 to 2024. Each entry in the summary includes details such as the name of the partner institution, start and end dates, the duration of the MoU, the nature of the collaboration, and key activities undertaken. Here's a breakdown of the significant information in the subheadings describing the collaboration but not limited to the headings.

#### **Academic and Educational Collaborations:**

1. **Aadikavi Bhanubhakta Campus, Nepal (2024-2029):** Focuses on academic cooperation, with events like expert lectures and international workshops on interpersonal skills.
2. **Bundelkhand University, Jhansi (2022-2032):** A decade-long collaboration aimed at student development through programs and seminars on topics like Science Day celebration.
3. **Govt. K.R.G.P.G Autonomous College, Gwalior (2022-2025):** Collaboration for academic development with initiatives such as national seminars.

#### **Skill Development and Employment Readiness:**

1. **Salesforce (2023 - Ongoing):** Offers skill development through IT education and workforce development programs. Internships and certification programs are a part of this initiative.
2. **MAAC Gwalior (2022-2024):** Targets skill upgrades with seminars on graphic designing.
3. **Mentorkart (2022-2023):** One-year collaboration focusing on employment readiness, career guidance, and certifications through training and expert talks.

## Industry-Academic Collaborations:

1. **Daksh Electronics (2024-2027):** Industry collaboration with research grants to promote academia-industry linkage.
2. **JK Cement (2023-2026):** A partnership that integrates industrial expertise through talks on cement manufacturing and plant handling.
3. **Fachhochschules Des Mittelstands, Germany (2022-2025):** A global collaboration focusing on sustainable research and skill upgrades, including international seminars and expert talks.
4. **Bajaj Finserv Limited & Bajaj Finance Limited (2022-2025):** Offers a Certificate Program in Banking, Finance, and Insurance, designed to advance professional skills through lectures and certifications.

## Research and Development:

1. **Reflex Solutions (2022-2025):** Research-focused partnership providing Rs 5.5 lakhs in grants for collaborative academic-industry research.
2. **Jiwaji University (2019-2029):** A long-term partnership for joint research and Ph.D. supervision.

## Short-Term MoUs:

1. **Testbook Edu Solutions (2022-2023):** A year-long collaboration focusing on career guidance, mock tests, and skill assessments.
2. **SSDN Technologies Pvt. Ltd. (2019-2020):** A one-year MoU for skill development through internship opportunities.

## Open-Ended Collaborations:

Some collaborations have open-ended terms, like with **Palo Alto Networks** and **Alteryx**, which focus on skill development and certifications in areas like cybersecurity and data analytics.

## Purpose and Activities:

The collaborations mentioned in the document cover a broad spectrum of purposes, ranging from academic cooperation, skill upgrades, student and faculty exchange, research collaboration, and industry interaction. Many of these MoUs led to specific activities such as expert talks, workshops, national and international conferences, internship programs, certification courses, research grants, and specialized training.

Overall, the document reflects a strong emphasis on academic-industry partnerships, skill development, research, and global collaborations, aimed at enhancing educational opportunities and practical knowledge for students and faculty across multiple disciplines. The collaborations, whether short or long-term, play a pivotal role in bridging the gap between academia and industry, preparing students for employment, and fostering global research initiatives.
