Overview Alumni Engagement

The ITM Alumni Association (ITMAA) is a registered alumni association that actively contributes to the development of the institution through various forms of support, including financial contributions and other services. Formally registered on March 12th, 2021, under the Madhya Pradesh Societies Registration Act, 1973, with registration certificate No. 02/42/01/25050/21, ITMAA operates within a legally recognized framework governed by predefined rules and regulations outlined in its byelaws.

Purpose and Objectives of the Alumni Association:

The primary purpose of ITMAA is to maintain strong connections between the alumni, staff, and students of the institute. The association aims to keep alumni informed about the institute's vision, mission, and values while fostering a sense of community among the alumni network.

Objectives:

- Database Maintenance: Regularly update the alumni database to stay connected.
- Experience Sharing: Facilitate alumni sharing to aid professional development of current students.
- Career Guidance: Assist current students in making informed decisions about their education and career paths through alumni mentorship.
- Internships and Placements: Leverage alumni networks for internships and placements.
- Institute Development: Seek guidance and support from alumni to contribute to the overall development of the institute.

ITMAA is dedicated to fostering a supportive community that enhances the institute's development and maintains strong alumni connections, thereby creating a lasting impact through collaborative efforts, networking opportunities, and contributions that drive continuous growth and success for both the institute and its alumni.

Impact of the Alumni Association:

- **The Alumni Portal:** The institute has partnered with Coherendz India Private Limited to create a dedicated alumni portal, accessible via <http://itmalumni.in> and the "My Alumni Network" app. This platform enables two-way communication between alumni and current students, fostering stronger ties with the alma mater. Key features include:
 - ❖ Establishing communication links between alumni, students, and the institute's administration.
 - ❖ Providing a forum for alumni to share ideas on academic, cultural, and social issues.
 - ❖ Facilitating alumni mentorship programs and networks to support student development.

- **The Alumni Relations Cell:** Established in 2018, it strengthens ties between alumni and the institute promoting mutual support and collaboration.
- **Alumni Meets:** ITM Gwalior hosts an annual alumni meet during Diwali festival allowing alumni to reconnect, share experiences, and discuss trends in various fields. The event is organized by the Alumni Association with support from the institute's management.
- **Alumni Chapters:** Inspired by the success of annual alumni meets, ITM Gwalior has established alumni chapters in Delhi, Bangalore, and Pune to support the growth and direction of both the Alumni Association and the institute. Alumni from various batches are invited to share insights on their fields of study and professional experiences.
- **Curriculum Enrichment:** Alumni feedback aids in addressing curriculum gaps and trends.
- **Alumni Interaction Sessions:** The Alumni Association organizes seminars to inform current students about career opportunities and study abroad options.
- **Alumni Mentorship Program:** Alumni mentors provide valuable guidance to current students, helping them navigate their academic and professional journeys. This mentorship program is instrumental in preparing students for future success.
- **Internship Opportunities:** Alumni offer and prepare students for internships.
- **Placement & Career Assistance:** The extensive alumni network assists students in securing placements by providing guidance, referrals, and support during the placement process.
- **Entrepreneurship and Start-up Awareness:** Alumni entrepreneurs mentor students on starting businesses.

Dear Daulat Sir, Prof Bhakar, All Respected Mentors at ITM Family,

Apurv and I feel humbled and grateful for the opportunity to interact with all of you. My hearty thanks to all of you for your time, listening to our journey and your encouragement.

Dear Shyam Ji - Thank you for coordinating and helping in setting up this meeting at short notice.

Dear All, Here are the next steps on the opportunities we have discussed yesterday -

- **Alive Almonds** - A soulful conversational Series with India's top business leaders and life coaches.
 - I am very delighted to know that ITM University is onboarded as our university partner.
 - The event will be open for all of our students and we will also broadcast it live on ITM Social Media platforms as well.
 - I will share more details in a separate email connecting my event team and Shyam Ji.
- **ATECHNOS' Advance Innovation Lab and Center of Excellence @ ITM**
 - Before anything, Daulat Sir, thank you for your invitation with open hands to host us at the ITM campus.
 - It is no less than a dream come true to expand business from the same campus where I studied.
 - We will be delighted to visit and collaborate further. I have already shared the info with our operations team in Gurgaon and we will plan a visit soon.
 - Meanwhile, I will also start working on drafting a vision, plan and working principles to be shared with all of you for your review and drafting MOU.
 - My target would be to share the details with you early next week.
- **Virtual Event Platform for ITM (ITM.VIRTEX.IN)**
 - As we come to know that ITM organizes various virtual event etc for the students.
 - We would like to propose to build an event portal for all ITM event with 3d Experience etc powered by our Guinness Book of World records winning platform - ALMOND VIRTEX.
 - I will send a separate email with more details.
 - Kindly Let me the SPOC for the same.
- **Projects and Internships collaboration**
 - It was great to hear that ITM would be interested in project-based collaborations as well in AI/ML/ App development and Gamification.
 - I would like to discuss this with the ITM team in more details so that we can quickly get started.
 - With positive intentions, I foresee that we can start working on a project together as early as within the next two week.
 - Kindly advise who would be SPOC for the same.

As Charles Darwin said, "It is the long history of humankind (and animal kind, too) that those who learned to collaborate and improvise most effectively have prevailed." I am confident that we are on to a vision and path of collaborative success together which will offer an all-around win-win for us and most importantly to our students.

With Best Regards, Many thanks,
Abhinav Jain

Hello Artika,

Pfa of the internship letter's of the students.

We have not send the offer letters of the 4 immediate joiners as we did not get any confirmation regarding their salary package accepted as discussed with Anwesa.

Therefore we will send it tomorrow morning once we get your confirmation.

Thanks

Sandeep
