Dear Sir,

Subject: **Regarding the Permission for Industrial Visit 2022**

ITM Gwalior is one of the most reputed Technology and Management Institutions in Gwalior established in 1997 known for its excellent record in academics and Co-curricular activities. The college offers Master and Bachelor degree courses in Engineering and Management. The state-of-the-art facilities, infrastructure and competent faculty provides an excellent environment for all round development of the students. The college has received several awards for its academic excellence, infrastructure, and exceptional placement record.

As part of Bachelor of Technology (B.Tech.) curriculum, the students are required to undertake industrial visit to industries of repute. As it is a fruitful the students with academic background have a glimpse of the industry in order to have a better appreciation of practical applications of theories being learnt in the classroom.

In the above background, we would like to send a batch of about **35 students** of B.Tech. 5<sup>th</sup> semester accompanied with by **two faculty** members on **19 October 2022**. I requested you to kindly the necessary permission for the above visit and guiding the students. Our students will observe the rules and regulation that are prescribed by your company.

We shall be grateful for a favorable response.

Sincerely,

Dr Aditya Vidyarthi
